The increase of the Company's share capital proposed in the Merger Plan immediately after the completion of the merger

In accordance with the proposal of the Board of Directors, the General Meeting resolved on a share issue, which is conditional upon the completion of the merger. The share issue will be carried out as a directed share issue, i.e. in deviation from the shareholders' pre-emptive subscription right so that shares will be subscribed for by Taaleri Plc, TN Ventures Oy and Evli Plc in accordance with the undertakings they have issued.

The directed share issue will be of the amount of EUR 11,715,469.09 and will be used to strengthen the company's solvency, i.e. CET1 core Tier 1 capital. Therefore, there is a weighty financial reason for deviating from the shareholders' pre-emptive subscription right.

The new shares issued in the directed share issue will be subscribed for and paid immediately after the completion of the merger. The issue shares represent approximately 29.9 percent of all shares in Fellow Bank immediately after the completion of the merger calculated on the basis of the number of shares in Evli and Fellow Finance issued and outstanding on the date of the General Meeting. After the combination of the share classes, a total of 20,005,924 new shares will be issued in the directed share issue so that a total of 4,205,325 shares will be offered for subscription to Taaleri Plc, 512,296 shares to TN Ventures Oy and 15,288,303 shares to Evli Plc. The subscription price of the shares is EUR 0.5856 per share, and the subscription price is determined on the basis of the pricing applied in the Arrangement. The subscription price of the shares must be paid to the Company on the completion date of the merger, at the latest.

The minutes of the General Meeting will be available on the website www.evli.com/generalmeeting as of 5 January 2022 at the latest.
